### What this covers

Dates published to 18 December 2026. This copy was produced on 30 October 2026; anything published after that is not in it.

Fees are per delegate and cover tuition, programme materials and the certificate. Travel, accommodation and visas are arranged by the delegate. Registration closes two weeks before a programme starts.

Any of these programmes can also be run privately for a single organisation, on dates that suit it.

| DATES                  | PROGRAMME                                                                                                                                                                                | WHERE           | DAYS | FEE              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|------|------------------|
| 7 to 11 December 2026  | <b>Basic Training for Switchgear (SF6, Medium Voltage and Vacuum Circuit Breaker (VCB))</b>                                                                                              | Nicosia, Cyprus | 5    | <b>US\$1,500</b> |

| 7 to 11 December 2026  | <b>Introduction to Exciter and Automatic Voltage Regulator (AVR)</b>                                                                                                                     | Nicosia, Cyprus | 5    | <b>US\$1,500</b> |
| 7 to 11 December 2026  | <b>MV Circuit Breakers and Switchgears Inspection, Maintenance, Design, Repair &amp; Troubleshooting</b>                                                                                 | Nicosia, Cyprus | 5    | <b>US\$1,500</b> |
| 14 to 18 December 2026 | <b>Electrical Drawings and Control Circuits</b>                                                                                                                                          | Nicosia, Cyprus | 5    | <b>US\$1,500</b> |
| 14 to 18 December 2026 | <b>Future-Ready Electrical Distribution Training</b>                                                                                                                                     | Nicosia, Cyprus | 5    | <b>US\$1,500</b> |
| 14 to 18 December 2026 | <b>Troubleshooting, Maintenance and Protection of AC Electrical Motors and Drives</b>                                                                                                    | Nicosia, Cyprus | 5    | <b>US\$1,500</b> |

# Booking a place

---

## 1 Choose the date

Every date in this document has its own page on the website, with the full outline, who it is for and what a delegate leaves able to do.

## 2 Register the delegate

Registration takes a few minutes and closes two weeks before a programme starts. An advisor confirms the place before anything is payable.

## 3 Settle the fee

By invoice to your organisation, by bank transfer, or by card. A sponsored or funded place can be recorded instead.

# Speak to an advisor
