What this covers

Dates published to 18 December 2026. This copy was produced on 30 October 2026; anything published after that is not in it.

Fees are per delegate and cover tuition, programme materials and the certificate. Travel, accommodation and visas are arranged by the delegate. Registration closes two weeks before a programme starts.

More dates are published than this document lists. Filter the calendar on the website by field, city or month for a complete list of a narrower selection.

Any of these programmes can also be run privately for a single organisation, on dates that suit it.
